

YOUR CAMP COUNSELLOR Ms. Leonora is athletic, has an artistic side and is a computer programming wiz! The camp will have a great mix of physical activity and sports; there will be fun art projects and she will teach Java coding and block coding using Scratch, Pycharm, Tykner and Code.org.

REGISTRATION one registration form must be completed for each child.

Please bring a hard copy of each completed registration form/s to participate in the camp by the first day.

CAMP DETAILS

Location: 925 Cousineau Rd at the ASCIS elementary school. The building is on the far right with the copper roof.

COVID-19 SCREENING MUST be completed before or upon arrival. Use this link and show the green ✓ to staff each day in order to participate. <https://covid-19.ontario.ca/school-screening/>. You can also find this link by searching "COVID school screening".

Personal Items:

- Limit 1 personal bag per camper.
- Full day campers are to bring their own lunch.
- Campers are to bring their own drinks and snacks. Refillable water bottles are preferred.
- A face mask. It is required when entering the building.
- Campers are responsible for their own balls and personal items if they bring them. (it is recommended to reduce the sharing of balls).

PAYMENTS should be made to Académie Ste-Cécile International School. Cash, cheque or e-transfer to mmihai@stececile.ca are accepted.

Please write **each child's full name + day camp** in the notes to confirm your payment with either method.

*Full payment and a completed registration form for each child must be received by the school prior to the first day of camp in order to participate.
